

***aihtiz** Runic: ᚱᚲᚲᚱᚲᚲᚱ Pronunciation: /'aɪx.tiz/

noun · feminine · i-stem

Meanings

possessions, property; goods or wealth held by an owner

Etymology

From Proto-Indo-European **h₂éyk-ti-s* ~ **h₂ík-téy-s*, a proterokinetic **-ti*-stem from root **h₂eyk-* (Kroonen 2013: 9; Ringe 2017: 197–98). The Proto-Germanic form reflects the generalized full-grade stem. Comparanda include Sanskrit ईशे (*īśe*) / ईष्टे (*īṣṭe*), beside ईश (*īśá*) (Mallory & Adams 1997: 270; Rix et al. 2001: 223; Watkins 2011: s.v. aik-). Related to **aiganq*, **aigô*, and **aigō*.
