

***bansaz** Runic: 𐌲𐌺𐌰𐌶𐌰𐌽𐌰 Pronunciation: /'ban.saz/

noun · masculine · a-stem

Meanings

1. crib; cradle
2. stall (for animals)
3. barn

Etymology

From earlier ****bandstaz**, from Proto-Indo-European ***b^hond^h-sth₂-s** from root ***b^hend^h-** (‘to tie; bind’). The latter part seems likely to be a derivative of PIE ***steh₂-** (‘to stand’) in similar usage to ***awistrą** (‘sheepfold’). Related to ***banstiz** (‘barn, storehouse; crib’).
