

***blusjā** Runic: 𐌰𐌶𐌿𐌶𐌰𐌿 Pronunciation: /'blus.jǣ/

noun · neuter · ja-stem

Meanings

firebrand, torch

Etymology

Uncertain. Perhaps from Proto-Indo-European **b^hel-* ('to blaze; glow; bright flame; white'). In order to get the Proto-Germanic derivation, the PIE root would have had to have been something like a zero-grade form of ***b^hlew-s-*, which would have been ***b^hlu-s-yom*, including the addition of the neuter suffix.
