

***bukkô** Runic: 𐌲𐌿𐌶𐌵 Pronunciation: /'buk.kɔː/

noun · masculine · an-stem

Meanings

alternative form of *bukkaz (“buck”)

Etymology

From pre-Germanic *bukō ~ *bukkaz < Proto-Indo-European *bʰug-ōn ~ *bʰug-n-ós, from root *bʰuǵ- (‘goat, buck, ram’) ([Kroonen 2013](#)). Proto-Celtic **bukkōs* (‘goat’) is likely a loan from ([Matasović 2009a](#)). Cognate with Old Armenian բուկ (buc, ‘lamb’), Persian بز (boz, ‘goat’), Avestan 𐬨𐬀𐬭𐬀 (*būza*) (būza, ‘ram’), Sanskrit बुख (*bukha*) (bukha, ‘male goat’).
