

***burda** Runic:  Pronunciation: /'bur.ðã/

noun · neuter · a-stem

Meanings

1. board, plank
2. table
3. edge

Etymology

Of uncertain origin. Possibly from pre-Germanic *burzdom from *brezda ~ *burzdnaz ('edge, board'), from Proto-Indo-European *b^hérsd^h-ō ~ *b^hṛsd^h-nés, ultimately from *b^hers- ('tip, edge') + *-d^h₁-e/o- (forms resultative verbs; compare Sanskrit भृष्टि (*bhr̥ṣṭī*) (bhr̥ṣṭī, 'tip, edge'), as well as Old Irish *brot* ('goad, spike')).
