

***buttaz**² Runic:  Pronunciation: /'but.taz/
 adjective · a-stem

Meanings

cut off; chopped; stumpy

Etymology

From Proto-Indo-European *b^hud-nó-s, from root *b^hewd- ('to strike, beat), a d-extension of *b^hew- ('to blow, swell') ([Gordon 2010](#)), with geminate -tt- from Kluge's Law. Alternatively derived pre-Germanic **bauttana, an n-extended verbal formation from an Indo-European root meaning 'strike, beat' (perhaps *b^heud-néh₂- / *b^heu-t-néh₂-, from *b^hewd- ~ *b^hew-t-) with a zero-grade root.
