

***būwijaŋa** Runic:  Pronunciation: /'bu:.wi.ja.nã/

verb · Weak class 1

Meanings

1. to settle, to inhabit
2. to build

Etymology

From *būana ('to dwell, reside') + *-(i)janą (forms denominative and factitive Weak class 1 verbs). Ultimately from Proto-Indo-European ye-present *b^huH-yé/ó- root *b^huH- ('to be, become, grow, appear'). The North Proto-Germanic reflexes must have come from a variant with geminate -ww- since they are obviously the result of Holtmann's Law. Related to *būwāna ('to settle, inhabit; build').
