Etymology

From Proto-Indo-European **dʰows-ō*, an o-grade derivative of **dʰwés* ~ **dʰus-és* or Schwebeablaut of earlier **dʰwos-ō*, both from root **dʰwes-* (‘to breathe, inhale, exhale’) ([Ozoliņš 2015](#)). Compare Lithuanian *daũsos* (‘the skies; paradise’). Related to **dwēsaz* (‘foolish, stupid’) and **deuza* (‘animal, beast’).
