

***digraz** Runic:  Pronunciation: /'diɣ.raz/

adjective · a-stem

Meanings

big, great, thick

Etymology

From *diganą ('to knead, create out of clay or dough') + *-raz (forms adjectives from verbal roots). Ultimately from Proto-Indo-European *dʰiǵʰ-ró-s from root *dʰeyǵʰ- ('to knead; to form, shape'). Cognates are Ancient Greek *τεῖχος* (*teîkhos*) (teîkhos, 'a wall; mound, earth works; fortified city') and Proto-Slavic **děža* ('kneading trough'). Related to *daigijō ('kneader of bread; dairy-maid'), *daigaz ('soft, pliable').
