

**\*digulaz** Runic:  Pronunciation: /'di.yu.laz/

noun · masculine · a-stem

## Meanings

---

1. pot
2. melting pot; crucible

## Etymology

---

Uncertain. Probably from \*digana (‘to knead, create out of clay or dough’) + \*-ulaz (forms adjectives from verbs meaning ‘doing’ or ‘pertaining to doing’ the verb). Ultimately from Proto-Indo-European \*d<sup>h</sup>iǵ<sup>h</sup>-ulos from root \*d<sup>h</sup>eyǵ<sup>h</sup>- (‘to knead; form, shape’).
