

***druppōnā¹** Runic:  Pronunciation: /'drup.pɔ:.nã/
verb · Weak class 2

Meanings

1. to drop, fall
2. to drip, seep

Etymology

Iterative from earlier paradigm *druppōþi ~ *drubunanþi, from pre-Germanic *dʰr̥bʰ-néh₂-ti ~ *dʰr̥bʰ-n̥h₂-énti, ultimately from Proto-Indo-European **dʰrebʰ-* ('to drop'). Cognate with Lithuanian *dribti* ('to drop'). Possibly conflated with a denominative construction *drupô ('drop of liquid') + *-ōnq (forms denominative Weak class 2 verbs).
