

***drōhs** Runic: 𐌳𐌿𐌹𐌺𐌰 Pronunciation: /'drɔːxs/

noun · masculine · consonant stem

Meanings

dregs, sediment

Etymology

From Proto-Indo-European **dʰrāks* (‘dregs, sediment (of wine, oil, fat)’), a word that is likely of non-Indo-European origin. Cognate with Albanian *dra* (‘sediment, dregs’), Proto-Balto-Slavic **dragjāʔ* (‘sediment, dregs’). Related to **drastaz* (‘dregs, lees’).
