

*felmaz/felmô Runic: 𐌸𐌴𐌿𐌺𐌰 / 𐌸𐌴𐌿𐌺𐌰

Pronunciation: /'fɛl.maz/, /'fɛl.mɔː/

noun · masculine · a-stem

Meanings

covering, skin, hide, fleece

Etymology

Probably an original *men-stem from Proto-Indo-European *pél-m̥ ~ *p̥l̥-mén-s which was re-formulated as if from **pél-mo-, from the root *pel- ('to cover, wrap; skin, hide, cloth'). Cognate with Ancient Greek *πέλμα* (*pélma*) (pélma, 'sole of the foot'), which is from the original *men-stem.
