

***felu** Runic: 𐌺𐌿𐌻𐌹 Pronunciation: /'fɛ.lu/

adverb

Meanings

1. much, a lot (adverb, pronoun)
2. a lot of (adverb, proboun)
3. very (adverb)

Etymology

Originally the neuter singular form of older u-stem *feluz ('many'), from Proto-Indo-European *pélh1-u-s, from root *pleh1- ('to fill'). Cognate with Proto-Celtic **felus* ('much, many'), Latin plūs ('comparative degree of multus ('many)'), Ancient Greek πολύς (*polús*) (polús, 'many, a lot of').
