

***fingraz** Runic: 𐰃𐰆𐰇𐰄𐰆𐰇𐰄 Pronunciation: /'fɪŋ.ɡraz/

noun · masculine · a-stem

Meanings

finger

Etymology

Probably from Proto-Indo-European *penkw-ró-s, from root *penkʷ- (‘fist; to take in hand, to handle’), with typical *e > *i before a nasal + consonant, and delabialization of the final consonant before Verner’s Law applied ([Kroonen 2013](#)). Related to Proto-Indo-European **pénkwe* (‘five’).
