

Wurdahuzda

***flakkōṇa²**

Runic:       

Pronunciation: /'ϕlak.kɔ:.nã/

verb · Weak class 2

Meanings

to flutter

Etymology

From earlier paradigm **flakkōþi* ~ **flakunanþi*, from pre-Germanic **plok-néh2-ti* ~ **plok-ŋh2-énti*, a secondary o-grade iterative variant of **flukkōną* ('to fly, flutter'), itself a more typical zero-grade iterative of **fleuganą* ('to beat, strike; lament'). Ultimately from Proto-Indo-European *extended root* **plewk-* ('to fly, flow, run; to splash, flap with hands'), from root **plew-* ('to fly, flow, run') (Kroonen 2013).
