

***fleuta** Runic: 𐌿𐌺𐌽𐌰𐌹𐌸𐌰 Pronunciation: /'fleu.tã/

noun · neuter · a-stem

Meanings

river, stream

Etymology

From pre-Germanic **plewd-o-m*, from Proto-Indo-European **plewd-* ('to fly, flow, run'), an extension of root **plew-* ('to fly, flow, run'). Latvian *plūdi* ('flood') is a cognate (Mülenbach, et al. 2000-2026). Related to **fleutana* ('to float, stream'), **fleutaz* ('nimble, quick'), **flutjana* ('to move, flutter'), **flutōna* ('to float, drift'), **fluta* ('a body or mass of water; the movement of water; flowing').
