

***fram**¹ Runic: 𐌱𐌹𐌿𐌺 Pronunciation: /'fɾam/
adverb

Meanings

1. forth, forward
2. away, further

Etymology

From Proto-Indo-European **pro-* ('forth, forward'). Related to Proto-Germanic **framaz* ('forward, prominent') whence Old Norse *framr* ('forward; superior'), Old English *fram* ('strenuous, active, bold, strong'), German *fromm* ('good, upright, devout, pious'), Ancient Greek *πρόμος* (*prómos*) (*prómos*, 'foremost one, champion, leader, prince'), Umbrian *promom* ('at first, initially'), Lithuanian *pirmas* ('first').
