

***fētijana** Runic: 𐌿𐌚𐌿𐌰𐌴𐌹𐌶𐌰𐌴𐌹𐌶𐌰 Pronunciation: /'fɛ:.ti.jɑ.nã/

verb · Weak class 1

Meanings

1. to adorn, to equip
2. to manage

Etymology

Orel considers this a lengthened grade derivation from Proto-Indo-European **ped-* ('to walk, to step; to stumble, to fall'), **péd-eye/o-*, noting a few Baltic forms with the same lengthened grade, Lithuanian *pėdas* ('foot, sheaf') and Latvian *pēda* ('foot, bundle, armful'). The semantic development was perhaps 'go, walk' → 'set in motion, make ready' → 'equip' → 'adorn'.

Conjugation

Present active

Person	Indicative	Subjunctive	Imperative
1st singular	fētijō	fētijaų	—
2nd singular	fētīsi	fētijais	fētī
