

***gaits** Runic:    Pronunciation: /'ɣɑɪts/

noun · feminine · consonant stem

Meanings

goat

Etymology

Cognate with Proto-Italic *haidos, but cannot be traced back to Proto-Indo-European. According to Bjørn, from the same source as Proto-Semitic *gady-, Proto-Berber *e-ɣăyd, Proto-Nakh *gaaʒaⁿ.

See also *kittīnā ('young animal') and *kidjā ('goatling').
