

***gataǵ** Runic:  Pronunciation: /'ʁa.tǎ/

noun · neuter · a-stem

Meanings

hole, opening, passage

Etymology

Kroonen derives the word from Pre-Germanic *g^hodom, itself from *getanaǵ ('to find a way; to get'), and rejects connections to Proto-Indo-European *ǵ^hed- ('to defecate') (whence Sanskrit हदति (*hádati*) (hádati)).
