

***glutōṇa** Runic:  Pronunciation: /'ɣlu.tɔː.nã/

verb · Weak class 2

Meanings

1. to peer
2. to stare; gawk

Etymology

Possibly from Proto-Indo-European **g^hl̥d-néh₂-ti* and thus related to **glintana* ('to shine'), **glantaz* ('bright'), from the root **g^hlend-* ('to shine'); the unusual formation may be due to dissimilation **g^hl̥d-néh₂-* > **g^hl̥d-néh₂-*. Perhaps ultimately from an even earlier root **g^hel-* ('to shine').
