

***grannaz** Runic:  Pronunciation: /'gran.naz/

adjective · a-stem

Meanings

- sharp
- thin

Etymology

From a Proto-Indo-European **g^hroH-n-uó-s*, probably related to **granō* ('awn, wispy hair'). An alternative theory links the word to Old Irish *grind*, *grinn* ('sharp') (< **g^hrend^h-i-*), which would require the reconstruction of the Germanic as **g^hrond^h-no-s* instead.
