

***hailaz**¹ Runic: ᚼ ᚲ ᚲ ᚲ ᚲ ᚷ Pronunciation: /ˈxaj̥.laz/

noun · neuter · z-stem

Meanings

omen, portent

Etymology

Probably of similar derivation to the above. Per Matasovic, potentially related to Proto-Brythonic *koil (‘omen, augury’) (whence Welsh *coel* (‘belief, trust’)), Latin *caelum* (‘sky’), though Kroonen rejects relations to the Italo-Celtic forms.
