

***husō** Runic: 𐌺𐌹𐌸𐌾 Pronunciation: /'xu.sõ:/

noun · feminine · ōn-stem

Meanings

1. an outer covering; hull; shell; husk; case
2. covering for the legs; leggings, trousers

Etymology

Probably a nominal formation from Proto-Indo-European **(s)kewHs-*, an s-extension of **(s)kewH-* ('to cover, bewrap'), though Orel is implicitly skeptical and leaves the origin open.
