

***kanguraz** Runic: < 𐌺𐌹𐌿𐌸𐌹𐌺𐌹𐌿𐌹 Pronunciation: /'kaŋ.gu.raz/

noun · masculine · a-stem

Meanings

uncertain. Possibilities include: net, plait, web; weaver, spider

Etymology

Uncertain; possibly related to English kink ('curl, turn, twist'), Icelandic kengur ('hook'), and if the word is of Indo-European origin, it may be further related to Old Church Slavonic гѣжвица (*gǫžvica*) (gǫžvica, 'wicker') and Czech houžev ('withy'), all from Proto-Indo-European **gengʰ-* ('twist, turn, plait, weave'). Finnish kankuri ('weaver') is probably borrowed from Germanic together with Finnish kangas ('web'); alternatively, the present word could be borrowed from Finnish.
