

***keulaz** Runic:  Pronunciation: /'keʊ.laz/

noun · masculine · a-stem

Meanings

ship

Etymology

From Proto-Indo-European **gewlos* (‘vessel; bowl’), from **gew-* (‘to bend; bow; vault; arch; curve; buckle’). Possibly related to **keluz*, **kūliz*, and **kūlō*. However, see Ancient Greek γαυλός (*gaulós*) (gaulós, ‘round vessel’).
