

***knēana** Runic:  Pronunciation: /'knɛ:.ɑ.nã/

verb · Strong class 7d

Meanings

to know, recognise, understand

Etymology

Likely from Proto-Indo-European **ǵneh₃-* ('to know'), the same root as **kunnana*, but the exact mode of derivation is unclear. It may reflect a back-formation from an older **knō-*, which could be an original perfective or stative formation.
