

***kwerranꞑ**

Runic: < Þ M R F ʏ F

Pronunciation: /'kwer.ra.nã/

verb · Strong class 3

Meanings

to devour, glut

Etymology

Kroonen reconstructs Proto-Indo-European thematic present $*g^w\acute{e}rh_3\text{-}e\text{-}ti$, from $*g^w\acute{e}rh_3\text{-}$ ('to devour') + $*\text{-}eti$, yet doesn't explain the geminated $*\text{-}rr\text{-}$. Possibly instead a secondary strong verb to lost iterative $*kurr\bar{o}n\bar{a}$, from earlier paradigm $*kurr\bar{o}pi \sim *kurunan\bar{p}i$, from Proto-Indo-European $*g^w\acute{r}h_3\text{-}n\acute{e}h_2\text{-}ti \sim *g^w\acute{r}h_3\text{-}\bar{n}h_2\text{-}\acute{e}nti$, from $*g^w\acute{e}rh_3\text{-}$ ('to devour') + $*\text{-}n\acute{e}h_2ti$.
