

***laidō** Runic:  Pronunciation: /'laj.ðɔ:/

noun · feminine · ō-stem

Meanings

1. a leading
2. a way, course, route, direction

Etymology

From Proto-Indo-European **loyt-éh₂-*, from **leyt-* ('to go, go forth, die') (whence also **līpaną* ('to go through'), see there for cognates), perhaps an extension of the root **ley-* ('to be slippery, glide, streak').
