

***laiwarikō** Runic:  Pronunciation: /'laj.wa.ri.kõ:/

noun · feminine · ōn-stem

Meanings

lark

Etymology

Perhaps from earlier *laiwazikō, a diminutive of *laiwaz ('lark'). Further origin uncertain.

According to Kuiper, from a European substratum (substrate) word, possibly a Celto-Germanic root shared with Gaulish *alawda ('skylark'); compare Latin *alauda* ('lark').
