

***lewô¹** Runic: ᚠᚠᚦᚨ Pronunciation: /'le.wɔː/
noun · masculine · an-stem

Meanings

scythe

Etymology

From Proto-Indo-European *léwh₁-on-, from *lewh₁- ('to cut off, loosen'). Particularly close cognate semantically with Sanskrit लवित्र (*lavítṛa*) (lavítṛa, 'sickle'), and additionally related to Proto-Germanic *leusana ('to lose'); see the latter for more cognates.
