

***līkinōṇa** Runic:  Pronunciation: /'li:.ki.nɔ:.nã/

verb · Weak class 2

Meanings

1. to compare
2. to show mercy
3. to care for

Etymology

Unclear, possibly from *līką ('body, shape') + *-inōṇa or *līkinō ('mercy, recovery') + *-ōṇa, or a merger of both. West Germanic only has the meaning "to compare", whereas Nordic also has the meanings "to show mercy" and "to care for".
