

***manō** Runic: ᚖᚓᚋᚩ Pronunciation: /'ma.no:/

noun · feminine · ō-stem

Meanings

mane

Etymology

From Proto-Indo-European **mon-* ('neck, nape; ornament'), which is sometimes further derived from Proto-Indo-European **men-* ('to project, peak, tower over, protrude'). Compare with Latin *monile* ('necklace') and Old Irish *muin* ('neck').
