

***pukô** Runic: 𐰇𐰋𐰏𐰚 Pronunciation: /'pu.kɔː/

noun · masculine · an-stem

Meanings

bag; pouch

Etymology

Probably from an earlier *puhō (in view of the variation of the stems *puhhô, *pukkô, and *pukô), apparently from a Proto-Indo-European **bewk-* ('to puff up'), and possibly cognate with Polish *buczyć* ('to puff oneself up'), though this is uncertain. Regardless, probably sound-symbolic.
