

***puttaz** Runic: 𐌱𐌴𐌹𐌵𐌴𐌿 Pronunciation: /'put.taz/

noun · masculine · a-stem

Meanings

pot, jar, tub

Etymology

Of uncertain origin. Orel considers the word as cognate to or possibly borrowed from Latin *buttis* ('barrel'). An older theory by Petersson derives the word from Pre-Germanic **butnós* or **budnós* ('a kind of vessel, swelled-out shape'), from Proto-Indo-European **bēwd-* ('to swell'), possibly cognate to Proto-Slavic **bъdbŋa* ('tub, cask') (if not a borrowing from Germanic); compare also Old Armenian պոյն (poytn, 'pot, earthen pot').

Declension

Case	Singular	Plural
Nom.	puttaz	puttōz, puttōs
Acc.	putta	puttanz
Gen.	puttas, puttis	puttō
Dat.	puttai	puttamaz
Inst.	puttō	puttamiz
Voc.	putt	puttōz, puttōs
