

***rūskōnā**

Runic: ᚱ ᚢ ᚷ ᚹ ᚺ ᚻ

Pronunciation: /'ru:s.kɔ:.nã/

verb · Weak class 2

Meanings

1. to make a noise; whiz; whirr
2. to startle

Etymology

Uncertain, though apparently onomatopoeic of leaves moving in the wind.

Others have taken the word as a variant (with formative k) of *rūsōṇą ('to storm, whiz, roar, make a noise, be fierce'), from Proto-Indo-European *rews-, *rewH- ('to move, drive, agitate').

Conjugation
