

***segaz** Runic: ᚱᚱᚱᚱᚱ Pronunciation: /'se.ɣaz/

noun · neuter · z-stem

Meanings

victory, triumph

Etymology

From Proto-Indo-European **sḗǵʰos* ('the overpowering'), from root **seǵʰ-* ('to hold, overpower'). Cognate with Sanskrit सहस् (*sáhas*) (sáhas, 'force, power, victory'), as well as Ancient Greek ἔχω (*ékhō*) (ékhō, 'I have, I own'). The alternate forms are a result of syncope and subsequent re-analysis of the z-declension.

Declension
