

***skīriz** Runic: ᚱᚱᚱᚱ Pronunciation: /'ski:.riz/

adjective · i-stem

Meanings

pure, clear, sheer

Etymology

From Proto-Indo-European **skeyr-* ('luster, gloss, shadow'), which may be related to **(s)keh₃-* ('darkness, shadow'), though the formal details are unclear if so. Cognates include Albanian *hir* ('grace, favor, mercy'), Proto-Slavic **ščirь* ('sincere, frank'), Ancient Greek *σκίρον* (*skíron*) ('parasol'), and perhaps Irish *cír* ('pure').
