

***skōhslą** Runic: ᚱ ᚿ ᚲ ᚱ ᚱ ᚱ Pronunciation: /'skɔ:x.slǎ/

noun · neuter · a-stem

Meanings

an evil spirit, demon

Etymology

Possibly from Pre-Germanic *skōkslom, a derivation from Proto-Indo-European **skek-* ('to move, stir'). Cognate with Proto-Celtic **skāxsлом* ('demon, supernatural being'). On the other hand, if the change -Vxsl- > -V:xsl- is regular in Celtic, this would represent an early borrowing from Celtic.
