

***skūrō²** Runic: ᚱᚰᚱᚰ Pronunciation: /'sku:.rɔ:/

noun · feminine · ō-stem

Meanings

shelter, shack

Etymology

Related to an earlier *sku(w)enjō- (whence modern German Scheune (‘barn’)), from *sku(w)en-, possibly from the dative form *sku(w)eni, ultimately from Proto-Indo-European *skuH-ro-, from *(s)kewH- (‘to cover’), related to Sanskrit स्कुनाति (*skunāti*) (skunāti, ‘he covers, protects’).

Alternatively, the pre-form *sku(w)enjō- is considered by Kroonen to stem from the same root as the "shower" sense of Etymology 1.
