

***smeuganaŋ** Runic:  Pronunciation: /'smeu.ɣa.nã/

verb · Strong class 2

Meanings

to creep, slip through or into

Etymology

From Proto-Indo-European **(s)mewk-* ('to slip, slide'), **smewg-* ('to slip, glide; be slimy'), with -g- instead of expected -h-, likely due to influence from the causative or iterative formations. Cognate with Lithuanian *smaũkti* ('to pull, don, roll up'), Slovene *smúkati* ('to scurry, slip').
