

***snuttuz** Runic: ᚱᚢᚲᚢᚾᚢᚿᚢᚿ Pronunciation: /'snut.tuz/

noun · masculine · u-stem

Meanings

Nasal mucus; snot

Etymology

Reflecting pre-Germanic *snutnús, likely back-formed from the accusative plural of an old n-stem *snéuþô (or similar), whence also the form *snuttaz, possibly from Proto-Indo-European **snew-* ('to flow, run; moisture').

Alternatively, onomatopoeic.
