Meanings

to spin

Etymology

From Proto-Indo-European **(s)pénh₁-ne-*, from **(s)penh₁-* ('to spin thread, plait, weave, sew; to stretch'). Cognate with Proto-Balto-Slavic **pín²tei* ('to stretch'), and Old Armenian հեւոյ (henum, 'to weave, sew together'). Potentially a doublet of **spanna* ('to stretch, tighten, fasten') and/or **fanô* ('cloth').
