

***spīkō** Runic: ᚱᚲ | <ᚲ Pronunciation: /'spi:.kɔ:/

noun · feminine · ō-stem

Meanings

a large nail, spike

Etymology

The word seems to derive from Proto-Indo-European *speyg-, a *g-extension of *spey- (‘long, sharp’); Orel notes similarities to Latin *spīcus* (‘pin’);.
