

***stappōnā**

Runic: ᚱᚢᚷᚰᚦᚨᚱ

Pronunciation: /'stap.pɔ:.nã/

verb · Weak class 2

Meanings

to walk

Etymology

Apparently from a Proto-Indo-European **(s)tep-* ('to step'), and cognate with Proto-Slavic **stōpà* ('foot, footstep'), **stepenъ* ('level') (whence Serbo-Croatian *stèpēn* ('level, degree')), Lithuanian *stapýti* ('to stay put'). Whether a relation to Proto-Indo-European **steb^h-* ('to stand still, harden, support') exists is unclear.
