

***stauraz**² Runic: ᚱᚰᚰᚰᚰᚰᚰᚰᚰ Pronunciation: /ˈstaʊ.rəz/
noun · masculine · a-stem

Meanings

1. destruction
2. disturbance

Etymology

Apparently from Proto-Indo-European **(s)towr-o-s*, from **(s)tewrH-*, **(s)twerH-* (‘to stir up, agitate’), though Kroonen assigns no etymology and compares only Latvian *stūrs* (‘stubborn, unruly’), which he considers potentially loaned from the Germanic.
