

***stukkija** Runic: ᚱᚢᚾᚴᚰᚢᚾᚰᚢᚾᚰᚢᚾᚰᚢᚾᚰ Pronunciation: /'stuk.ki.jã/

noun · neuter · ja-stem

Meanings

1. stump
2. piece

Etymology

A ja-stem nominal derived either from *stikana (‘to stick’) or its iterative *stukkōna (‘idem’).

An alternative theory, as follows, derives the word from Proto-Indo-European **(s)tewg-* (‘to shock, butt, impact’). The geminate -kk- is assumed based on *stukkaz (‘stick’) (whence Old English stocc, Old Norse stokkr).
