

***teldana** Runic:  Pronunciation: /'tel.da.nã/

verb · Strong class 3

Meanings

to cover

Etymology

Uncertain. Possibly derived from a Proto-Indo-European **delH-* ('to flatten, spread out'), with an extension **-d^h-* (perhaps from **d^heh₁-* ('to put')), giving **delH-d^hh₁-* ('to put flat'). Potential cognates include Lithuanian *dėl̃na* ('palm of hand'), Proto-Slavic **dòlnъ* ('idem').
