

***tumftō** Runic:  Pronunciation: /'tumɸ.tɔ:/

noun · feminine · ō-stem

Meanings

ground around a building

Etymology

From a compound of Proto-Indo-European **dʰm̥-* ('to build') and **ped-* ('to walk, to step'), assuming a relationship with at least Ancient Greek *δάπεδον* (*dápedon*) ('floor'). However, this word may simply be equivalent to **tumþiz* ~ **tumþō*; see there.
